Emory Program in Development Studies presents

HISTORICAL ECOLOGY OF CLIMATE AND ENVIRONMENTAL ADAPTATION

Peter Gufu Oba
(Professor of International Environment and Development Studies, Norwegian University of Life Sciences and Visiting Scholar in Development Studies, Emory University)

Wednesday, April 18, 4 p.m.
206 Anthropology

Born into a nomadic pastoralist family in northern Kenya, Professor Peter Gufu Oba has studied rangeland ecosystems and the environmental history of the region for more than 25 years. A Kenyan national, he currently is Professor of International Environment and Development Studies, Norwegian University of Life Sciences as well as a Visiting Scholar in Development Studies at Emory University. Dr. Oba has authored or co-authored more than 55 articles in scientific journals and has been the recipient of many awards and fellowships. His forthcoming book, titled The Partitioned Nomads and Imperial States in the Horn of Africa, is to be published by Brill Publishers.
